

# Arts/Music Enrichment Programme Registration (2024)

Whilst here in Northbrooks, we do not run our own AEP or MEP, we would very much love to support our students' budding passions and interests in these fields! We have sent a few students for AEP or MEP over the years, and would like to guide parents and students through applying if you are interested!

The secondary-level AEP and MEP are 4-year curriculum programmes. The curriculum aims to develop students as practitioners, scholars, advocates, and leaders in the arts through an extended and balanced Art/Music curriculum that includes learning and collaborating with peers across AEP/MEP schools and programmes designed in partnership with the arts and creative industries and institutions.

Students in the AEP/MEP will take G3 Higher Art / Higher Music at the end of secondary four, regardless of the course they are posted to. For more information on how Higher Art/Music grade may be computed for admission to post-secondary institutions, please click on this [link](#).

Programme	Centre & Address	Lesson Day & Timings for 2024 Sec 1 Cohort	
		Lower Sec	Upper Sec*
